

Warranty Wheels supplied by Oceanic Direct

The Purchaser accepts the warranty and guarantee of the Wheel, Tyre and Associated Accessories Manufacturer as stated in the manufacturer's warranty terms and conditions, is the only warranty and guarantee given to the Purchaser in respect of the Goods purchased through the Seller.

1. WHEEL AND RIM SURFACE WARRANTY INSPECTION POLICY

1. To the Original Purchaser, All wheels and rims for warranty must be returned to Oceanic Direct and forwarded for inspection at the wheel importers by their 'Product Control team'. Ph 0397873418 a copy of your Original purchase invoice must be viewed and validated.

2. Country Vic or Interstate.

- Any Wheels or Rims for warranty inspection would need to be returned to Oceanic Direct dispatch warehouse in Dandenong Victoria, These wheels or rims would need to be shipped to Oceanic Direct at the purchasers expense pre-paid. Once inspected by the Importers Product Control team and the wheels or rims are covered by the importer warranty policy / replacement action would be discussed and issued.
- Oceanic Direct will not replace any products or issue pro rata credits until a visual inspection is made by the wheel Importers, Product Control team in Melbourne. The purchaser is welcome to purchase replacement wheels or rims which would be dispatched at the purchasers expense.
- Once inspected by the importers 'Product Control team' and the wheels or rims are covered by their warranty policy we will dispatch the replacement products them back to the purchaser at Oceanic Direct cost and a credit will be issued to the purchaser. All pro rata warranties are via credit transaction to the purchasers trading account.
- If the Wheels or rims are not covered by our warranty policy they will be returned to the purchaser at the receivers expense.
- The maintenance of the surface finish is the responsibility of the purchaser, failure to follow the Service & Maintenance Manual attached will void the product finish warranty.
